

Guaranteed Golden[®]

Final Expense Whole Life from Savings Bank Life InsuranceSM

Lifetime Protection Without a Medical Exam or Health Questions

If you are between the ages of 50 and 80, let Vantis Life help you take care of your final expenses without burdening your family.

Designed to cover things like medical expenses, credit card bills and funeral or burial costs, Vantis Life's final expense insurance is an easy way to accomplish this goal.

- Lifetime Coverage
- Coverage Amounts of \$5,000 - \$25,000 (available in \$1,000 increments)
- No Medical Exam or Health Questions
- Price / Coverage Will NEVER Change
- Guaranteed Acceptance* — No Medical Exam
- 30 Days to Review Policy — Full Refund if Not Satisfied
- Easy Payment Options
- Helps with Funeral and Burial Costs
- Pass Money Along to Children or Grandchildren

Guaranteed Golden[®] Features

Available for Ages 50 to 80

Simple Application

No Medical or Health Questions

Guaranteed Level Premiums

Lifetime Protection

Vantis Life[®]
Insurance Company

*Application approval subject to underwriting review:

- Proposed insured must be a US citizen or permanent US resident.
- Vantis Life does not accept applications for a proposed insured: a) with dementia that renders that individual unable to perform the common activities of daily living without regular assistance of others; b) that is currently admitted to or resides in a hospital, hospice, or skilled nursing facility; c) with Power of Attorney or court authorized guardianship currently in effect on their behalf.
- Policy availability, terms, conditions, age and issue limitations may vary by state. A complete statement of coverage is only found in policy.

In the first and second year of the policy, the death benefit is limited to return of premiums (unless death is accidental). If death is accidental, full benefits would be payable.

- Premiums, as shown, are based on proposed insured's age at issuance of policy and vary by state
- Premiums may be paid annually, semi-annually, quarterly or monthly
- In the first and second year of the policy, the death benefit is limited to return of premiums (unless death is accidental). If death is accidental, full benefits would be payable.
